Lymington Town Sailing Club delivers organised activities throughout the year, welcoming sailors of all abilities, together with their family and friends. This includes day sailing, cruising and racing for yachts and dinghies of all sizes. We take great pride in being a very friendly club and take every opportunity to enjoy time on the water, socialise and have fun.

Whilst we do have employees managing key parts of the administrative and catering operation, many of the club activities are driven by volunteers, an example of which is our 2020 cruising programme which has been planned, organised and run by members for the benefit of the members, their family and friends.

The programme seeks to offer activities for sailors of all levels and boats of all types and sizes. Whereas the majority of the boats attending the cruises have typically been sailing boats, motorboats are positively welcomed. Cruises range from weekend trips around the Solent to extended weekend trips to France and the Channel Islands, topped with a two week Summer Cruise to France. Members do cross oceans and keep their boats overseas, but this is outside of the scope of our cruise programme. If you cannot commit to a cruise, why not join us for a Wednesday Meandering day sail, where you can meet the skippers and crew, enjoy some relaxed sailing around the Solent and surrounding areas. We try to sail all Wednesdays apart from Christmas day.

The club is managed to ensure our members have every opportunity to get afloat, get involved and have fun.

We always welcome new members and would be delighted to hear from those thinking of joining our very friendly club.

Len Tuffill
Rear Commodore Cruising

For those recently launched this is your 'shake-down' cruise. So whatever 'kit' breaks or is lost can be sourced in Cowes. Berths booked at Shepards Wharf, with dinner booked at The Island Sailing Club for 1930hrs. A gentle start to the season.

North or South of St Cats

11-12 July

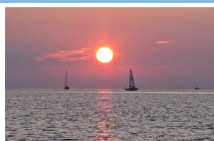

Saturday's destination is Haslar Marina with an evening meal in The Lightship. Those sailing south of the IOW should ideally pass Hurst Castle about 0815 - 0820 and those going north could depart an hour or so later. A Sunday morning departure will catch the ebb tide back.

Organiser: Laurence Sim T: 01590 677129 E: laurence.c.sim@gmail.com

St Vaast

16-19 July

The cruise will be an early start on Thursday 16th to Cherbourg. Friday morning gives time for some shopping before leaving on the eastbound tide to St Vaast. Saturday enjoy St Vaast. Sunday am return home. We call this the 'core' part of the cruise. If anyone wishes to leave earlier from Lymington and spend more time in Cherbourg or, at the end of the cruise, stay on longer in St Vaast, please let us know so we can share the information. We encourage members to take the opportunity to extend their trip either on their own or in small groups.

Organiser: Alan Rand T: 01590 673002 E: alan.d.rand@gmail.com

Hornets

3-4 October

A leisurely sail to Hornet Services Sailing Club on Saturday with the option of a visit to the historic Dockyard or even a trip across to Gunwharf Quays for the very brave. Supper will be in the historic Club house around 1930 with the option of an enormous breakfast on Sunday morning before an early afternoon return to Lymington with the tide. The Club is happy for this to be a two night stay and yachts may arrive on the Friday night if they wish.

Organiser: Alison McFadyen T: 07833 720816 E: alisonmary52@gmail.com

The last cruise of the year will follow tradition and cross the Solent to Yarmouth. Regardless of the weather, a comfy pub will offer good food in excellent company. Timings will accommodate ferry foot passengers.

Organiser: Len Tuffill T: 07753 577614 E: lentuffill@gmail.com

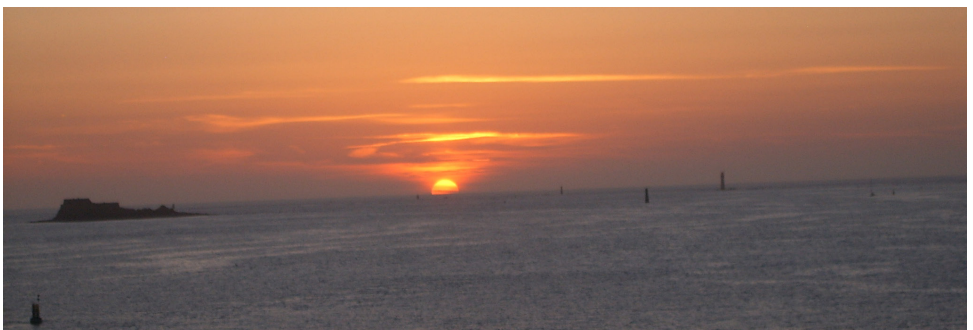

Code of Conduct

Skippers are responsible for their own passage planning and decisions. They should also be aware of any dietary and medical requirements of their crew. They are required to confirm details of their boat and crew to the trip organiser and pay any deposits required by the closing date. The closing dates will normally be five days before the advertised departure but prospective attendees should register their interest with the trip organiser as early as possible as events can get booked to capacity or marinas or restaurants require greater notice.

Many venues now require a deposit for moorings or meals. By agreeing to come on a trip, the skipper agrees to reimburse the trip organiser for their share of the deposit regardless of whether the skipper and their crew actually participate in the trip.

In the event that the trip is cancelled, the trip organiser's decision is final and any deposits paid will be forfeited unless a refund is obtained or the trip is cancelled before payment is due. Skippers are nevertheless at liberty to continue with the proposed trip and/or use their booking for berthing or food as appropriate.

Please remember that the trip organisers are volunteers and are there to enjoy their trip so please offer them every consideration.
